

COMUNE DI MONTEPERTOLI
UFFICIO SERVIZI DEMOGRAFICI

Dear Citizen,

I am pleased to inform you that the elections for the renewal of the **European Parliament** will be held the **26th of May 2019**.

You, as a citizen of the European Union resident in Italy, have the opportunity to vote for:

- the **ITALIAN CANDIDATES TO THE ELECTIONS of THE EUROPEAN PARLIAMENT** by submitting a specific application **by the 25th of February 2019** (the 90th day before the elections)

Since the right to vote in the European elections can not be exercised more than once in the same election, those who vote for the election of the Italian representatives in the European Parliament waive the exercise of the analogous right to vote in their country of origin for the representatives of that country.

You can find more information and the application forms on the Municipality's website at www.comune.montespertoli.fi.it, in the section Elections 2019 on the homepage, or on the Ministry of the Interior website <https://dait.interno.gov.it/elezioni/documentazione/europee-2019-modulo-optanti> or directly to the URP and Demographic Services Office, situated in Piazza del Popolo square, n. 34 – phone n. 0571/600217 - email: demografico@comune.montespertoli.fi.it

The application, filled in, signed and accompanied by a copy of your identity document, must be submitted in one of the following ways:

- by hand deliver to the URP and Demographic Services Office, piazza del Popolo square, n. 34;
- by e-mail at: demografico@comune.montespertoli.fi.it
- be PEC at: comune.montespertoli@postacert.toscana.it
- by registered mail A.R. to URP and Demographic Services Office, piazza del Popolo square, n. 34, 50025 Montespertoli

The Electoral Office will inform you of the registration and at the same time you will receive an electoral card that will allow you to vote at the seat indicated on the electoral card. The registration will remain valid until the cancellation is specifically requested.

By registering in the aforementioned list, the vote may be exercised exclusively for members of the European Parliament belonging to Italy and not also for members of the European Parliament belonging to your country of origin: the double voting is in fact forbidden.

The municipal offices are in any case at your disposal for any further information.

Sincerely,

The Head of the Electoral Office
Cristina Gabrielli
